**Parking:** Nationals Park Garage C  
1200 First Street SE

Garage C is located at the Corner of N St SE and First St. SE. The address on the GPS might have it as 75 N St SE, Washington, DC 20003.

After parking, go to the back of the parking garage where the elevators are located. Go to the bottom floor. There will be an entrance and screening as you exit the elevators (**See Bag Policy Below**). Once you are through the screening process, proceed to the check-in table. There will be signs and staff to direct to the correct locations for VIP and General Admission events. It is a little bit of a walk.

**Bag Policy Nationals Park:** Our bag policy has changed this year to a clear bag policy and clutches. Any bags larger than a clutch (5" by 7" x 3/4"), will no longer be permitted unless the bag is clear plastic, vinyl, or PVC. Guests with diaper or medical bags will be admitted with additional screening measures upon entry. We encourage you to communicate this new policy with your guests in advance of your event date, so they can plan accordingly.
